I'm a recent University graduate from the Institute of Contemporary Music Performance in Creative Music Production. My future plans consist in working in the music industry, specifically in Live sound engineering and studio recording, but I'm also interested in working in Creative directing, Film, Lighting and Live Production. I aim to build a strong career in the Creative industry and make a name for myself as both an artist and an engineer

Experience/Previous Jobs

- Touring Technician
- Assistant Engineer for theater production "The Wright brothers" (June 2019)
- Lighting technician for "The Panto" (March 2018)
- Seasonal Sale Associate at Gap Outlet (15 October '17 - 23 December '17)
- Sale assistant at New Look Brunswick Center
